Rate for Thermal Imaging Camera	Per Day		

Additional terms and conditions of compensation:

1. All fees proposed shall be inclusive of all supervision, overhead and other administrative expenses.
2. For each assignment, the Consultant may be asked to submit a "not-to-exceed" total price proposal (excluding the cost of copies of drawings and other documents as requested by Spectra, which items will be reimbursed at cost without markup). Each such proposal shall also identify any subcontractors and/or sub-consultants anticipated to be used, and shall specify the rates at which their services are proposed to be reimbursed. Each such proposal shall also identify and specify a time-and-material price for any other cost or service which is not otherwise addressed in this RFP. Billing will be based on hours actually expended.
3. Spectra will not accept invoices for mileage, travel time and expenses, meals, lodging, accommodations, postage or other expenses or overhead unless agreed to in writing prior to the firm incurring such expenses.
4. To the extent that sub-consultants and/or sub-contractors are engaged by the Consultant, Spectra shall not pay for any markup in the price for such services provided to the Consultant under its agreement with Spectra.
