(referred to hereinafter as the “Vendor”)

THIS SERVICE AGREEMENT (the “Agreement”) is made as of this \_\_\_\_ day of \_\_\_\_\_, 2019 (the “Effective Date”), by and between the SPECTRA, as agent on behalf of CASINO REINVESTMENT DEVELOPMENT AUTHORITY (“CRDA”), a public body corporate and politic constituting an instrumentality of the State of New Jersey, and the Vendor identified above.

Background

A. In accordance with Spectra’s solicitation of bids released in {Month} of 2019 (the “Solicitation”) and the Contractor’s bid thereto dated \_\_\_\_\_ (the “Bid”), Spectra has selected the Vendor to provide services to Spectra as described in the Solicitation (the “Services”).

B. The Vendor desires to accept the engagement to provide Services, all as more particularly set forth in this Agreement.

**NOW, THEREFORE**, in consideration of the foregoing and the mutual covenants and agreements contained herein, Spectra and the Vendor, intending to be legally bound, hereby agree as follows:

1. Copies of the Solicitation and the Bid are annexed hereto as Exhibits 1 and 2, respectively. By this reference, the Solicitation and the Bid are incorporated in and made a part of this Agreement as if set forth herein in full. In case of a conflict or inconsistency between the provisions of the Solicitation and the Bid, on the one hand, and this Agreement, on the other hand, the provisions of this Agreement shall govern to the extent of such conflict or inconsistency.

2. The Vendor, in consideration of the execution and delivery of this Agreement, agrees to render the Services, as more fully described in Section 2.0 of the Solicitation.

3. (a) Spectra will make payment to the Vendor for services rendered at the rates, and under the terms and conditions, if any, set forth in Attachment 9 of the Solicitation, entitled, “Fee Schedule”.

(b) The Vendor shall provide invoices with substantiating documentation, as reasonably requested by Spectra. All invoices must describe the Services performed, referencing the task or part thereof outlined in the Vendor's Bid. If the Vendor's Bid or part thereof is based on an hourly fee, then the invoice shall show the hours spent, itemized by date and task. Any invoice that includes an expenditure line item must be accompanied by such documentation to substantiate the amount and necessity of such expenditure. All invoices must reflect the fees and rates as set forth in the Solicitation.

(c) Spectra shall not be obligated or liable under this Agreement to any party, other than the Vendor, for the payment of any monies or the provision of any goods or services. The Vendor shall be obligated to indemnify, defend and hold Spectra harmless pursuant to Section 13 hereof in the event of any such claim.

(d) Spectra shall remit payment to the Vendor within forty-five (45) days of the receipt of the Vendor's invoice, provided such invoice accurately and completely represents the work and amounts owing therein and is otherwise presented in accordance with this Agreement, unless Spectra disputes the invoice.

(e) If the contract term spans more than one fiscal year, Spectra's obligation to make payment beyond the current fiscal year is contingent upon the CRDA'S governing body appropriation and availability of funds.

4. The Vendor shall be responsible to comply with and abide by all applicable laws, statutes, regulations, ordinances and other similar requirements pertaining to its performance and obligations under this Agreement. Without limiting the foregoing, the Vendor shall not discriminate in employment and shall abide by all anti-discrimination laws including those contained within N.J.S.A. 10:2-1 through N.J.S.A. 10:2-4, N.J.S.A. 10:5-1 et seq. and N.J.S.A. 10:5-31 through 10:5-38, and all rules and regulations issued thereunder.

5. The Vendor represents and warrants, on behalf of itself and its employees and sub-contractors that:

(a) the Services shall be performed in a good, professional and workmanlike manner in accordance with the standards of care and diligence normally practiced in the industry, and to the extent applicable, shall conform to the specifications, drawings, samples, other description, and terms and conditions contained or referenced therein; and in the event the Vendor fails to fulfill this covenant, the Vendor shall promptly re-perform and correct any Services not acceptable to Spectra upon its written request made at any time within one (1) year after Spectra's final acceptance of the Services. All costs incurred by the Vendor in performing such corrective work shall be the sole responsibility of the Vendor.

(b) the Services and the Vendor's performance thereof shall comply with any and all applicable laws, ordinances, rules and regulations of any and all governmental agencies, including Spectra, having jurisdiction to impose such requirements; and

(c) it and they have the legal authority to enter into this Agreement and to perform the Services.

(d) (i) execution of this Agreement and performance of the Services will not violate any obligation to or rights of others including but not limited to, intellectual property rights such as patent, trademark, trade secret and copyright, under agreement or otherwise, and (ii) it knows of no written or oral agreement or of any other impediment which would inhibit or prohibit the relationship with Spectra provided for herein.

6. Spectra represents and warrants that it has the authority to enter into, and will reasonably cooperate with the Contractor in accordance with the terms and conditions of, this Agreement.

7. The initial term of this Agreement shall commence on \_\_\_\_\_ and shall expire on \_\_\_\_\_, or earlier termination as provided herein (the "Termination Date"); provided however, that the Agreement shall remain in full force and effect for any Services requested by Spectra prior to and performed by the Vendor after the Termination Date ("Post Termination Services"). Spectra may terminate the Agreement for any reason or no reason upon at least ten (10) days prior written notice to the Contractor. The Vendor shall be paid for work performed and accepted by Spectra until the close of business on the Termination Date, or, in the case of Post Termination Services, the date of Spectra's acceptance of such services.

8. The Vendor shall maintain a thorough and complete record of its performance of the Services hereunder, including, without limitation, hours worked under this Agreement and the reasonable business expenses incurred in connection with the Services (the "Records"). Vendor shall maintain and make available for inspection the Records during the term of the Agreement and for three (3) years from and after the Termination Date. Spectra or its designee shall have the right, upon reasonable notice, during normal business hours to audit, inspect and copy the Records. For purposes of this Section 8, "Vendor" shall include the Vendor and its sub-contractors.

9. (a) The Vendor represents that it has no existing financial interest and will not acquire any such interest, direct or indirect, which could conflict in any manner or degree with the performance of the Services under this Agreement and that no person having any such interest shall be subcontracted in connection with this Agreement, or employed by the Vendor. The Vendor will also take all necessary steps to avoid the appearance of a conflict of interest and shall have a duty to disclose to Spectra prior to entering into, and during the term of, this Agreement any and all circumstances existing at such time which pose a potential conflict of interest.

(b) The Vendor warrants that it has not directly or indirectly offered or given, and will not directly or indirectly offer or give, to any employee, agent, or representative of the

Spectra or CRDA any cash or non-cash gratuity or payment with view toward securing any business from Spectra or influencing such person with respect to the conditions, or performance of any agreements with or orders from Spectra, including without limitation this Agreement. Any breach of this warranty shall be a material breach of each and every agreement between Spectra and the Vendor.

(c) Should a conflict of interest issue arise, the Vendor agrees to fully cooperate in any inquiry and to provide Spectra or its designee with all documents or other information reasonably necessary to enable Spectra or its designee to determine whether or not a conflict of interest existed or exists. Failure to comply with the provisions of this section shall constitute grounds for immediate termination of this Agreement, in addition to whatever other remedies Spectra may have.

10. The Vendor shall procure, and require its vendors and consultants to procure, prior to the commencement of services, and maintain, at its own expense, until final acceptance by Spectra of all services required under this Agreement, insurance for liability for damages imposed by law and assumed under this Agreement, of the kinds and in the amounts hereinafter provided, with insurance companies authorized to do business in the State of New Jersey. The insurance carriers shall have a Best's rating of "A" or better and a Best's financial size of "VII" or larger. All of the policies of insurance required to be purchased and maintained and the certificates, declaration pages, or other evidence thereof shall contain a provision or endorsement that the coverage afforded is not to be cancelled, materially changed or non-renewed without at least 45 days prior written notice to the Spectra by certified mail. Spectra shall be named as an "Additional Insured" on those policies required under subsections (a) and (b).

(a) Commercial General Liability Insurance. The minimum limit of liability shall be \$1,000,000 per occurrence (combined single limit for bodily injury and property damage) / \$2,000,000 aggregate, including products/completed operations and contractual liability insurance, which insurance shall include coverage for the liability assumed under section 3 of this Solicitation in an amount not less than \$1,000,000. The coverage to be provided under this policy shall be at least as broad as that provided by the standard, basic, un-amended and unendorsed comprehensive general liability coverage forms currently in use in the State of New Jersey, which shall not be circumscribed by any endorsement limiting the breadth of coverage. Moreover, such policy of insurance shall be endorsed so as to delete any exclusions applying to property damage liability arising from underground hazards relating to utilities, explosions and collapse of foundations. The policy shall include coverage for pollution liability, or alternatively, Vendor shall provide evidence of such coverage in accordance with subpart (e) herein-below.

(b) Comprehensive Automobile Liability Insurance. The policy shall cover owned, non-owned, hired, leased and rented vehicles with minimum limits of liability in the amount of \$1,000,000 per accident as a combined single limit for bodily injury and property damage. The coverage provided shall include automobile contractual liability covering liability assumed under this Agreement.

(c) Workers Compensation and Employer's Liability Insurance. Worker's Compensation and Employer's Liability insurance shall be provided in accordance with the requirements of the laws of the State of New Jersey.

The Vendor shall furnish to the Authority, within ten (10) days of the effective date of this Agreement, Certificates of Insurance, together with declaration pages, in a form satisfactory to Spectra, evidencing that it has complied with this Section 10. The required Certificates of Insurance shall be filed with Spectra and same will be made part of this Agreement. No work shall commence until the insurance requirements and certificates are provided to Spectra. Upon request, the Contractor shall furnish Spectra with a certified copy of each policy itself, including the provisions establishing premiums.

11. RESERVED.

12. By signing this Agreement, the Vendor certifies that the Vendor and any of its principals (a) are not presently debarred, suspended, proposed for debarment, or declared ineligible for the award of Agreements by any public agency, and (b) have not, within a five-year period preceding this Agreement, been convicted of or had a civil judgment rendered against them for: commission of fraud or a criminal offense in connection with obtaining, attempting to obtain, or performing a Federal, state or local government agreement or subcontract; violation of Federal or state antitrust statutes relating to the submission of offers; or commission of embezzlement, theft, forgery, bribery, falsification or destruction of records, making false statements, tax evasion, or receiving stolen property; and are not presently indicted for, or otherwise criminally or civilly charged by a government entity with, commission of any of these offenses.

13. The Vendor will indemnify, defend and hold Spectra, and its officers, employees and members (collectively, the "Indemnitee") harmless from and against any and all allegations, causes of action and claims (whether threatened or pending), costs, expenses and fees (including attorneys' fees), awards, damages, judgments, liabilities (in law or in equity) and losses (collectively, the "Losses") arising out of or relating to the Contractor's act, failure to act, or omission in its performance of the Services hereunder. The obligation to defend shall arise regardless of any claim or assertion that Indemnitee caused or contributed to the Losses.

14. Provisions of this Agreement may be waived by Spectra only by a written statement expressing that it is intended as a waiver of specified provisions of the Agreement. Spectra's approval, acceptance, use or payment for any part of the Contractor's services shall not in any way alter the Contractor's obligations, nor waive any of Spectra's rights, under this Agreement.

15. If any change occurs in the legal entity of the Vendor's organization, the Vendor shall immediately report such change to Spectra.

16. While engaged in performance of this Agreement, the Vendor is an independent contractor and is not an officer, agent, or employee of Spectra. The Vendor is not entitled to benefits of any kind to which Spectra employees are entitled, including, but not limited to,

unemployment compensation, workers' compensation, health insurance and retirement benefits. The Vendor assumes full responsibility for the acts and/or omissions of the Vendor's employees or agents as they relate to performance of this Agreement. The Vendor assumes full responsibility for workers' compensation insurance and payment of all federal, state and local taxes or contributions, including, but not limited to, unemployment insurance, social security, Medicare and income taxes with respect to the Vendor and the Vendor's employees.

17. Neither the performance of this Agreement, nor any part hereof, may be assigned by the Vendor without the prior written consent of Spectra. The Vendor shall not subcontract any services hereunder without the prior written approval of Spectra. All subcontracted services, once approved, shall be billed by the Vendor to Spectra at direct cost with no additional fees or markup.

18. All notices under this Agreement must be in writing and shall be delivered to the Party to which the notice is being served by: (a) certified or registered mail, return receipt requested, or (b) overnight courier service addressed to the Parties at their respective address set forth above.

19. The validity, interpretation and performance of this Agreement shall be determined according to the laws of the State of New Jersey. Whenever possible, each provision of this Agreement shall be interpreted in such a manner as to be effective and valid. However, if any provision of this Agreement shall be held to be prohibited by or invalid under any applicable law, such provision shall be ineffective only to the extent of such prohibition or invalidity, without invalidating the remaining provisions of this Agreement.

20. Subsequent to the award of this Agreement, the Vendor merges with or is acquired by another firm, the successor entity shall submit the following documents to Spectra: (a) corporate resolutions of the successor entity ratifying acceptance of the terms and conditions of this Agreements; (b) Political Contributions Disclosure form for the successor entity. The documents must be submitted to Spectra within thirty (30) days of the completion of the merger or acquisition. Failure to do so may result in termination of this Agreement in accordance with the terms herewith.

21. This Agreement, together with the Solicitation and the Bid, constitutes the entire agreement between the parties hereto, and supersedes any prior or contemporaneous written or oral understanding or agreement, and may be amended only by written amendment executed by both parties and approved as required by New Jersey law and CRDA policy. This Agreement shall become effective and legally binding upon the signing of the Agreement by all parties hereto.

**IN WITNESS WHEREOF**, the parties hereto have caused this Agreement to be executed by their duly authorized signatories as of the day and year first above written.

**SECURITY SYSTEM UPGRADE**

**SCOPE OF WORK**

Spectra is requesting a proposal to upgrade the Video Management System (VMS) and storage for the surveillance system at The Atlantic City Convention Center and Jim Whelan Boardwalk Hall.

The security system shall be part of an all-encompassing unified security platform (USP) which shall support the seamless unification of IP automatic license plate recognition system (ALPR), IP access control system (ACS), and IP video management system (VMS) under a single software solution. The USP user interface (UI) applications shall present a unified security interface for the management, configuration, monitoring, and reporting of embedded ALPR, ACS, and VMS systems and associated edge devices.

The USP shall have the ability to create and customize dynamic live dashboards for system monitoring allowing data such as, but not limited to:

- Health diagnostics and reports with graphical representation of that data
- SDK reports
- Weather information
- Live video
- Access control events
- Alarms
- Cybersecurity score via an embedded hardening guide

The USP shall have reporting capabilities:

- The USP shall support comprehensive data filtering for most reports based on entity type, event type, event timestamp, custom fields, and more.
- The reporting task shall have the ability to display results through graphics, such as pie charts or bar graphs, without the need to have external reporting software.
- Shall have customizable reports for both criteria and layout built into the reporting engine.
- Shall be able to run a hardware inventory report which contains, but is not limited to:
  - Unit type, manufacturer, product type (such as camera, access control, and so on), firmware, role in the system, IP address, MAC address, time zone, user, password strength, authentication scheme, security protocol, upgrade status, next upgrade, propose firmware version, and state.

The USP shall utilize dynamic graphical maps (DGM)

- The DGM shall provide the ability to display any type of third-party entities integrated through an SDK.
- The DGM shall be able to select which floor through a built-in mapping floor selector.
- Able to natively use a smartphone to get images, video, and track the location of field operators through a GPS on their phone.
- The DGM shall support CAD files, vector files, or GIS maps.
- The DGM shall support the use of ESI data within the mapping engine.
- Must be able to bring in intrusion and arm/disarm zones directly from the map.
- The DGM must be able to push the base map to a mobile application and have it display the associated entities on that map.

The USP shall support the ability to manually track a moving object with the single click of a button on a semi-transparent shape or overlay on the video tile. This capability shall be done within a single camera display tile. This feature shall be available with both live and recorded video and enable the export of the tracking to a single case export.

The USP shall support a camera integrity monitor to identify when a camera is tampered with by way of masking, movement, or camera offline state. This feature must be able to scan the entire enterprise and handle 16 Archiver roles managing 300 cameras each, analyzing each camera once per day.

New system shall support all existing Bosch cameras/encoders. Any Licensing requirements shall include all existing cameras and/or encoders, plus additional for growth. (336 existing and 14 additional)

New system shall integrate with existing Keri ACS at ACCC and new ACS at Boardwalk being sought under separate RFP.

The new system shall integrate with existing Bosch equipment, and vendors bidding must be a certified dealer for Bosch. No new cameras are requested as part of this bid. The existing cameras will be programmed in to new VMS. The new installed system needs to manage all devices in both buildings and utilize existing network connections between the Convention Center and Boardwalk Hall.

The USP must have the following cybersecurity certifications:

- CSPN Certification from ANSSI
- UL 2900-2-3 Level 3 Cybersecurity Readiness Certification
- ISO/IEW 27001 Standard
- FBI CJIS Compliance for cloud services
- Microsoft Gold Certification
- DHS Safety Act Certification

*A designation as a Qualified Anti-Terrorism Technology and certification as an Approved Product for Homeland Security from the United States Department of Homeland Security (DHS).* New VMS must be viewable at Atlantic City Police Department.

Storage shall be configured for at least 30 days retention. Each building shall have its own local storage device for recording cameras located in that building.

Existing storage devices must be available for access to review stored video for 6 months after new systems are brought online. After the 6 month period, the existing Bosch storage will be brought into the new storage pool to provide archiving on new system.

The successful bidder shall include at least the following:

- New rack mountable server to replace existing.
- New online storage.
- All programming for new equipment and existing equipment.
- Provide turnkey solution for seamless transition.
- At least eight hours of training for new USP will be included proposal price.

### INFORMATION AND INSTRUCTIONS For Completing the “Two-Year Vendor Certification and Disclosure of Political Contributions” Form

#### Background Information

On September 22, 2004, then-Governor James E. McGreevey issued E.O. 134, the purpose of which was to insulate the negotiation and award of State contracts from political contributions that posed a risk of improper influence, purchase of access or the appearance thereof. To this end, E.O. 134 prohibited State departments, agencies and authorities from entering into contracts exceeding \$17,500 with individuals or entities that made certain political contributions. E.O. 134 was superseded by Public Law 2005, c. 51, signed into law on March 22, 2005 (“Chapter 51”). On September 24, 2008, then-Governor Jon S. Corzine issued E.O. 117 which is designed to enhance New Jersey’s efforts to protect the integrity of procurement decisions and increase the public’s confidence in government. The Executive Order builds upon the provisions of Chapter 51.

#### Two-Year Certification Process

Upon approval by the State Chapter 51 Review Unit, the Certification and Disclosure of Political Contributions form is valid for a two (2) year period. Thus, if a vendor receives approval on January 1, 2014, the certification expiration date would be December 31, 2015. Any change in the vendor’s ownership status and/or political contributions during the two-year period will require the submission of new Chapter 51/Executive Order 117 forms to the State Review Unit. **Please note that it is the vendor’s responsibility to file new forms with the State should these changes occur.**

**State Agency Instructions:** Prior to the awarding of a contract, the State Agency should first send an e-mail to CD134@treas.nj.gov to verify the certification status of the vendor. If the response is that the vendor is NOT within an approved two-year period, then forms must be obtained from the vendor and forwarded for review. If the response is that the vendor is within an approved two-year period, then the response so stating should be placed with the bid/contract documentation for the subject project.
