SUBJECT: Boardwalk Hall Wayfinding Sign Installation, Addendum #2

- 1) All hanging signs shall be ½" thickness.
- 2) Line item #4 on spreadsheet. Remove and replace the existing (2) two front frosted PVC panels (front/back) with new vinyl lettering. Language on the back facing 2nd level remains the same, "TO BOARDWALK" with arrow symbol.
- 3) Line item #22 on spreadsheet. Dimension of PVC shall be 18 ½" x 16 ½".
- 4) Line item #24 on spreadsheet. Remove existing front clear frosted PVC and apply new lettering directly on existing green sign panel.
- 5) All signs shall be furnished with double sided tape with exception to signs that are designed to be hung by chain material.
- 6) Provide submission on revised itemized spreadsheet that includes two columns. One for, "Itemized Costs for Fabrication" and the second for, "Itemized Costs for Fabrication and Installation."
