

JIMMY BUFFETT

AND THE CORAL REEFER BAND

THE YEAR OF STILL HERE TOUR 2008

BOARDWALK HALL | ATLANTIC CITY

SUNDAY, AUGUST 24 - 8PM

This summer's biggest beach bash will officially hit the sand when **Jimmy Buffett and The Coral Reefer Band** head to Atlantic City to perform at Boardwalk Hall on August 24 as part of 'The Year of Still Here Tour 2008!' This show marks a return to the venue for Jimmy who put on the ultimate summer concert for a crowd of Parrotheads at Boardwalk Hall last June. The show, produced by CAESARS Atlantic City, will go on sale this Monday, March 31 at 10AM.

“Jimmy Buffett’s debut in Atlantic City last summer was a tremendous show,” said Greg Tesone, General Manager of Boardwalk Hall. “The concert became a citywide event and the town was packed with Parrotheads. We can’t wait to have him back in August.”

Boardwalk Hall isn't the only venue in the area to see the return of Jimmy Buffett this summer – Citizens Bank Park will as well. In fact, Jimmy set the record for the fastest sell-out *ever* at the stadium in Philadelphia! On June 14, he will perform in front of a packed house of about 42,000, transforming the home of the Phillies into 'Margaritaville' for another unforgettable night.

Off stage, Jimmy's newest three-disc CD/DVD release, *Live In Anguilla*, lets you feel what a few thousand fans got to experience last March on the Caribbean island of Anguilla: a Jimmy Buffett concert on a tropical island and once-in-a-lifetime intimate performance. The set includes 30 songs - everyone's favorites - plus some special, in-concert rarities.

Scheduled for release this summer is Jimmy's newest book, *Swine Not?* (Little, Brown and Company), a colorful novel about a Southern family determined to hide their pet pig in a fancy four-star hotel in New York City. Jimmy is one of only nine authors in the history of the New York Times Bestseller List to have reached No. 1 on both their fiction and non-fiction lists.
