Additional terms and conditions of compensation:

1. All fees proposed shall be inclusive of all supervision, overhead and other administrative expenses.
2. For each assignment, the Consultant may be asked to submit a "not-to-exceed" total price proposal (excluding the cost of copies of drawings and other documents as requested by Spectra, which items will be reimbursed at cost without markup). Each such proposal shall also identify and specify a time-and-material price for any other cost or service which is not otherwise addressed in this RFP. 4. To the extent that sub-consultants and/or sub-contractors are engaged by the Consultant, Spectra shall not pay for any markup in the price for such services provided to the Consultant under its agreement with Spectra.
