SUBJECT: JWBWH LOBBY AUDIO VIDEO MODIFICATION – ADDENDUM #7

COMMENTS

1. Approved Equal

The below products have met the minimum requirements for consideration as substitution as indicated.

LED Video Wall Alternatives

ATS-Pro WN Pro 1.5

- 1.56mm Flip-Chip COB LED for premium indoor applications
- 800-nit brightness with ultra-smooth 7,680Hz refresh rate
- Deep 15,000:1 contrast for high-impact visuals
- Front-serviceable, durable die-cast aluminum panels
- Flexible installation options with low power consumption
- Optional 3–5 year warranty and full U.S. service support

LG LSBF015

- 1.56mm fine-pitch indoor LED for close-viewing environments
- 600-nit brightness with excellent color uniformity
- Seamless 54" aluminum cabinet with front service access

- Wide viewing angles and efficient thermal performance
- IP50 rated with fire-spread certification
- Optional 3–5 year warranty and LG CMS compatibility

All-in-One LED Display Options (Alternate to LCD or Modular LED) – Mosaic Wall Replacement

ATS-Pro Collaborate 136"

- 136" all-in-one Flip-Chip COB LED display
- Full HD resolution with integrated processing and connectivity
- Factory-calibrated for consistent brightness and color accuracy
- Fast installation with no external processors required
- Ideal for lobbies and high-profile public spaces

LG LAPA 136" All-in-One

- 136" turnkey LED display with integrated controller and speakers
- 1.56mm pixel pitch with Full HD resolution
- Built-in LG webOS platform and wireless screen sharing
- Front-serviceable with simple power connections
- Designed for lobbies, conference rooms, and public venues

Museum Area – Single 75" Display Options

ATS-Pro Architect Series 75"

- Commercial-grade 4K LCD display rated for 24/7 operation
- High-brightness panel suited for museum and lobby spaces
- Slim, architectural design with flexible mounting options

LG 75UL5Q-M

- Professional 75" 4K commercial display
 - Built-in LG webOS smart signage platform
 - Reliable 24/7 performance with multiple input options
 - Ideal for wayfinding and informational content
2. Addendum #7 makes no changes to the bid due date of Monday, April 20, 2026, at 11:00 am, as set forth in Addendum #5
